### Peachland pop-up recycling event

Date and Time: Saturday, May 7 10:00 a.m. - 2:00 p.m.

Address: 1450 KLO Road 1450 KLO Road

The Regional District Waste Reduction Office is hosting a series of new recycling events that will allow residents in the Central Okanagan to drop off depot only recyclables such as Styrofoam, glass and soft plastics in their own communities.

A one-day only pop-up recycling depot will take place at the Peachland Recreation Centre parking lot on Saturday, May 7 from 10 a.m. until 2 p.m. The Recreation Centre is located at 4450 6<sup>th</sup> Street. Staff will be on hand to answer any recycling questions.

The one-day depot event will give Peachland and area residents an opportunity to easily recycle their glass bottles, jars, foam packaging, plastic bags and overwrap, and other flexible plastic packaging (such as crinkly wrappers, stand up pouches and zipper bags). Electronics will also be accepted at this one-day only event. The pop-up depot is for residential recycling only, not commercial.

Glass, foam packaging and other flexible plastics are not allowed in the curbside collection cart program and residents typically travel to the nearest depots in West Kelowna to properly recycle these items.

These innovative pop-up depot events are being tested this year to make recycling more accessible for residents. As the name suggests, pop-up events are by nature temporary, held in unique spaces, and last for a few hours. The aim is ultimately to connect with as many residents as possible on a one-on-one basis, to increase recycling awareness, and keep recyclable material from the landfill.

Four more Saturday pop-up events are also scheduled for later this year in the District of Lake Country at 3165 Hill Road: June 18, July 16, August 20, and September 17.

To find out more about the pop-up depots, or for more information about what materials can be recycled, go to [rdco.com/recycle](https://rdco.com/recycle), or email [recycle@rdco.com](mailto:recycle@rdco.com).

### Trunk Sale

Date and Time: Saturday, May 28 08:00 a.m. - 12:00 p.m.

Imagine, 150 garage sales, all in one location! That's what you'll get Saturday May 28 at the Okanagan College Kelowna campus parking lot, as the Trunk Sale returns after a two year hiatus.

Organized by the Regional District Waste Reduction Office, Trunk Sales promote reuse and recycling, ensuring we keep any unnecessary and perfectly good material out of our one remaining landfill.

The Spring Trunk Sale will mark the 18<sup>th</sup> event the RDCO has hosted to date. The Trunk Sale model is unique in these parts, a mega garage sale from the backs of vehicles, one convenient location, tons of bargains. It's a family friendly way to spend a Saturday morning.

If you want to be a seller on sale day, you must pre-register ahead of time through our on-line registration found at [rdco.com/trunksale](http://rdco.com/trunksale) which opens up May 2. A waitlist will be created when all available spaces are reserved.

After the sale is over a number of charities will be on site so those participating don't have to lug their items home again, they can simply donate them if they choose. The Kelowna and District SHARE Society will be on hand to accept donations, as will the Canadian Diabetes Clothesline group. Plus, the Okanagan Mission Lions Club volunteers will be helping with traffic control and food sales.

The Trunk Sale runs **Saturday May 28 from 8 a.m. until noon at Okanagan College, 1000 KLO Road. It's a rain or shine event, and free to attend as a shopper.** The Trunk Sale will be held in parking lot 17 next to the Student Residence Buildings off West Campus Road.
